General Articles:	page
The Control of Pulmonary Tuberculosis in a Group of Industrial Establishments By G. F. Keatinge	3
A Clinical Appraisal of Cyanacetic Acid Hydrazide in Chronic Pulmonary Tuberculosis By Thomas Marmion	9
Central Nervous System Complications during I.N.H. Treatment of Pulmonary Tuberculosis By M. M. Wood	20
Prediction of Maximum Breathing Capacity from Timed Vital Capacity By C. D. Needham, Mary C. Rogan and I. McDonald	30
Chemotherapy in a Cairo Chest Clinic—A Preliminary Report on the Methods adopted in assessing the Value of Izoniazid, Streptomycin and Paraminosalicylic Acid in 122 Cases of Pulmonary Tuberculosis By Attwa Ibrahim, Adib Boutros and J. B. McDougall	38
Foreign Bodies impacted in the Œsophagus. A Record of some Unusual Cases By N. Asherson	50
Fibrous Dysplasia of Rib By E. R. Lecutier	56
Pneumoperitoneum Treatment of Pulmonary Tuberculosis complicated by Pregnancy By A. Sakula	60
Perforation of the Bronchial Wall by a Caseous Gland with Acute Asthmatic Symptoms By Desmond J. Leahy	66
Pulmonary Adenomatosis (Alveolar Cell Tumour)—A Case with Unusual Cavitating Lung Lesion By G. B. Rooke	70
A Preliminary Enquiry into the Relative Value of Miniature (70-mm.) Films and Large Films in the Radiological Diagnosis of Pulmonary Tuberculosis By Christopher Clayson, Hugh W. O. Frew, D. G. McIntosh, J. G. McWhirter, P. L. McKinlay and Lilli Stein	81
Principles in the Treatment of Pulmonary Tuberculosis By C. H. C. Toussaint	102
The Re-Expansion of the Lung after Extrapleural Pneumothorax By Gianfranco Fegiz	112
Bronchial Tuberculosis By W. Gordon	115
The Blood Sedimentation Rate and Fractional Plasma Viscosity in Pulmonary Tuberculosis By John Houston and J. S. Lawrence	119
Prolonged Pulmonary Eosinophilia. A Report on Three Cases By R. D. Young	129
On the Occurrence of Eosinophilia in Tuberculosis treated with Antibiotics By John Read	134
Letterer-Siwe's Disease By G. A. Barter, J. P. Corridan and J. W. Magner	139
Dysphagia Pneumonitis following Epidermolysis Bullosa By R. L. Sadler	142
An Unusual Case of Bronchial Adenoma By J. H. P. Johnson	145
The Progress of Pulmonary Deficiency in Emphysema By J. D. Sinclair	157
The Laboratory Background to the Use of Penicillin in Chronic Bronchitis and Bronchiectasis By J. Robert May	166
Indications for Surgery in Bronchiectasis By J. T. Chesterman	174
